SEAPORT VILLAGE
Climb aboard our historic ships to learn about seafaring during the Age of Sail, or walk through our seaport village to discover what life was like in a maritime community in the 18th century. See demonstrations and learn about historic crafts and trades, such as coopering, carving, printing, and blacksmithing.

PRESEvation Shipyard
The Henry B. du Pont Preservation Shipyard is where traditional techniques are passed on to the next generation—right in front of your eyes! Watch as expert shipwrights restore and maintain the Museum’s vast watercraft collection and other large vessels.

STAR CENTRAL
Learn the secrets of the night sky at one of the Treworgy Planetarium shows, or let the little ones climb aboard the nautical-themed playscape. The Funk Children’s Museum (ages 7 and under) and Home Port (ages 8-12) offer children and families the chance to spend quality time at arts and crafts, games, and more.

McGraw Gallery Quad
Discover your own sea story through the engaging exhibitions on display in the indoor galleries located on the north end of campus.

KIDS ACTIVITY ZONE
Fun for all ages. Play a 19th-century game, design and build your own toy boat, or visit the Discovery Barn for a hands-on exploration about the science behind how ships work. Then relax on our village green with a picnic or snack.

RIVER EXPLORATION
Feel the wind in your hair as you head out for your own voyage on the Mystic River. Be your own captain at the Boathouse or let us take you on a guided waterfront cruise.
