

WHAT LURKS BENEATH

The Mutineer's Harpoons **\$8**

soft pretzel sticks, house cheddar sauce, sea salt

vegetarian • milk, wheat

Sharp enough to threaten the crew, salty enough to make them behave.

Chowdah's Below Deck Chowder **\$12**

house made, chives

milk, wheat, shellfish

The cook's signature creation from somewhere below deck.

Grampus Ration **\$12**

pretzel stick dog, house cheddar sauce, scallions

milk, wheat

When the crew's fighting over dinner, you know it's probably worth stealing.

Landlubber Sandwich **\$12**

chicken salad, herb mayo, mixed greens, brioche

also available over a bed of greens

egg, wheat

For those brave enough to come aboard but not quite brave enough to eat like a sailor.

Captain Barnard's Dog **\$8**

hot dog on brioche bun

condiments on the side

milk, wheat

The Captain demands his hot dog be served with dignity. The crew disagrees.

Kraken's Revenge **\$16**

kettle chips, ground beef, cheddar sauce, zesty crema

milk

The Kraken took our ship. We took his dinner.

Ghost Ship Cannonballs **\$6**

cinnamon sugar old-fashioned cake donuts

vegetarian • milk, egg, wheat

Small, sweet, and considerably less dangerous than the real thing.

THE HAUNTED GALLEY

"Cocktails from the crew that never docked."
